**Annual Submission Requirement**

During your certification, a copy of your most recently completed federal tax return(s) as filed with the Internal Revenue Service must be submitted to the Office of Small Business and DVBE Services (OSDS). In addition to the business tax returns, each partner of a partnership business must also submit individual federal tax returns. Businesses that rent equipment to the state must submit individual federal returns for each disabled veteran owner within 90 days of the individual's tax return filing due date. If you have been granted a tax filing extension with the

Internal Revenue Service, submit a copy of the extension form, then submit a copy of the tax return once filed.
